- **Engagement** with Product Development

The screenshot shows the Oracle Applications Unlimited website. At the top, there is a navigation bar with the Oracle logo, a menu icon, and links for Search, Account, Country/Region, and Contact. Below the navigation bar, the main heading reads "Oracle Applications Unlimited" followed by "Oracle Applications Unlimited and Oracle Premier Support". There are two call-to-action buttons: "Is your software vulnerable to cybercrime? →" and "Oracle Premier Support—learn from the experts →". A navigation bar below the main content has "Overview" and "Features" tabs. The main content area features the heading "Applications and Support—An Unbeatable Combination" and three sub-headings: "Committed to Customers", "Committed to Innovation", and "Committed to Products". Below this, there is a paragraph of text and a small image of a woman smiling.
